About Us

Mr. Sunil Mishra laid down the foundation stone of Vijay International in the year 2007. He and his team are the brains behind the continuous growth of the company. From making available Readymade Garments and Jewelry to local buyers to shipping the collection to overseas buyers, the journey has been incredible. Ambition of the mentor has been the motivating factor for his team to put that extra effort in achieving his dream. The team together faced the business challenges and came with a solution every time. The Mumbai, Maharashtra (India) based Manufacturer & Exporter, is presently meeting the Anarkali Churidar Suits, Silk Saree, Punjabi Suit, Kurta Pyjama, Earring, Necklace Set, Printed Anarkali Suits and many such requirements of Indian and overseas customers.

The 2007 year marked the inception of Vijay International. Our Mumbai, Maharashtra (India) based company brings forward a collection for fashion-savvy men, women and kids. Our collection of Readymade Garments and Jewelry is sold to people through retailers, wholesalers, dealers and importers. Every piece of both product categories is carefully designed, developed, tested and packaged. With the help of logistic partners, the consignments are shipped to countries, like UK, New Zealand, Canada and America. Our decade old company aims at exploring new overseas markets to find opportunities to trade in Lengha, Salwar Kameez, Saree, Earring, Pendant Set, Ladies Punjabi Suit and other products.
